We may also receive commission from the lender, which is fully disclosed. Based on a £100,000 mortgage a commission payment is typically £350. If you prefer, we can be paid a fee of £1000 for our advice and recommendation in connection with your mortgage, payable when we make our recommendation and we will refund to you any commission we receive from the mortgage lender.

The Financial Services Authority does not regulate Will Writing, commercial mortgages or some forms of tax planning, estate planning, or trust planning.
